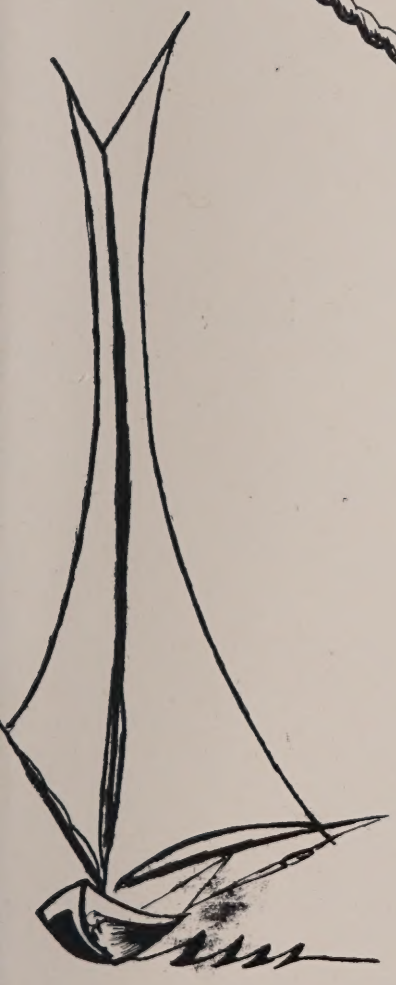
S. S. TOPPER



To Mr. Conaty

Dedication

It is fitting that the 1953 Topper Yearbook be dedicated to Mr. George Conaty, who is completing his twenty-fifth year as Manual Arts instructor in Walpole High School. Mr. Conaty will be remembered by his boys not only as a good teacher, but also as a man who guided them through four years of high school as gently and as firmly as a ship's captain guides his vessel through storm and fog. We hope that he will remain at Walpole High for many years to come.

CLASS LOG

September 7, 1949—The sun this morning rose as it does every day of every year of every century, but today, for some unknown reason, it directed its rays solely on Walpole High School. Even on the first day at Walpole High, one learns many, many things; namely, that 211 is on the top floor of the building, not the room adjoining the boiler room, and that these girls standing in the middle of the corridor are not to be trampled on, but serve as guides of the famous institution, and that the numerous bells one hears throughout the day are not the telephones ringing, but are passing or silence bells. However, as someone once said, "Live and Learn" and on the first day at W.H.S. we did!

September 30, 1949—The first social event of the year was the dance accorded us by the seniors, and since freshmen were admitted free, you can be sure almost all attended. Though we were petrified at the thought of dancing with any upperclassman, let alone seniors, we managed to smile bravely until the clock read 11 hours. We wended our way homeward a little tired, but nevertheless having had a wonderful time.

October 21, 1949—Two weeks ago we had listened for the first time, but definitely not for the last, to the magnificent salesman, Dell Obert, who told us how much we could do for the school if we sold his magazines. We could make money for the school and get prizes for ourselves besides. One of our home-rooms, 110, got busy right away and sold the most magazine subscriptions, and thus was awarded an ice cream party. What fun it was to be the envy of the whole school!

January 17, 1950—The new year had brought a new fad into Walpole High in the birth of water pistols. If one did not have a water pistol, he was considered a social outcast by the students, and if he did have one, he was considered detention bait by the teachers. The fad left us as quickly as it had come, for this morning, the Brinks Company of Boston was held up and over one million dollars was taken. With all the investigations, the boys decided they'd better not be questioned with a gun on their person, so immediately all pistols disappeared.

P.S. No one was indicted for the robbery and for weeks after our faces were long because we had been so hasty in getting rid of our weapons.

February 6, 1950—Today we took our first steps towards being a working, united group in the phase of electing our class officers. Though we may have selected them a bit gropingly, but nevertheless with pride and excitement, all were happy when the down-stairs bulletin board posted the results as follows: President, George Delaney; Vice President, Joe Moylan; Secretary, Shirley Kapcheck; and Treasurer, Aila Salomaa.

March 3, 1950—The school ice hockey team caught our attention by their wonderful record and their copping the Bay State League Championship. Their success made us resolve that we too, when members of the hockey team, would bring home a cherished championship. Had it not been for some ill luck in the Metropolitan Tourney, the school might have been the State champion hockey team in our freshman year.

September 6, 1950—We entered the now familiar halls of Walpole High School, smiling knowingly at the poor, confused newcomers. After hurried glances at the bulletin board by the side entrance, we scrambled up the stairs to our new homerooms on the top floor. It was fun, we found, not being lowly freshmen.

October 20, 1950—Today we fulfilled our first important duty as sophomores by electing our class officers. The winners were announced as: President, George Delaney; Vice President, Joe Moylan; Secretary, Shirley Kapcheck; and Treasurer, Carol Lamore. After the election, Mr. Strout introduced a new form of government to us. Six representatives from each of our four homerooms were to be elected and were to represent in class representative meetings the wishes of their constituents. This representative form of government was adopted to erase the confusion and inefficiency of the general class meetings.

March 25, 1951—We have been learning to support the school this year by attending almost all the school events. We have watched our team finish second in the Bay State League; we have enjoyed the senior benefit shows, helping them to earn money at the same time. Couples have been forming now that we are better acquainted. We also have caught Spring Fever, as do all students, but as the teachers have poured on the homework, we have had no time for dreams.

May 24, 1951—We learned that we, Walpole High, were State Golf Champions. How proud we were to be part of the now famous Walpole High School and that our boys, even some of our own sophomores, namely George Delaney and Jack Kannally, could add another cup to the library's collection of trophies.

September 5, 1951—Today we began the second half of our high school life, as juniors. Now we have two classes below us, but still, there are the mighty seniors to look up to. The junior year, we were told, is one bubbling over with activity. We were soon going to find this out.

October 19, 1951—We started the year off with the elections of class officers. The corridors were filled with amateur politicians voicing their opinions on why so and so should be elected. Emerging victorious for the second straight year were: President, George Delaney; Vice President, Joe Moylan; Secretary, Shirley Kapcheck; and Treasurer, Carol Lamore.

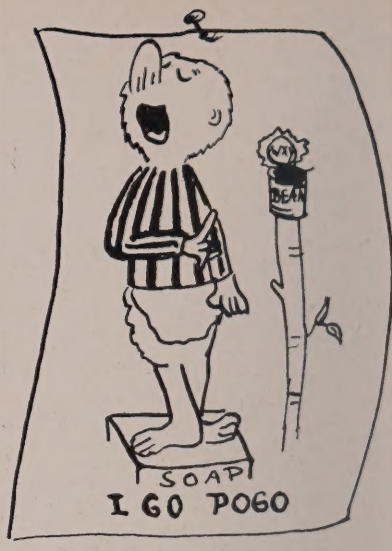
February 5, 1952—We made our final decision today about which style class ring we preferred. There was a close vote on two types, but the Josten Company in Minnesota won out. Carol Lamore began collecting the money and making out orders for the rings. We should congratulate her for all this hard work done so well.

March 7, 1952—Walpole High's formidable hockey team won the Bay State Championship, with our own Jim Morgan and Don Cooper performing magnificently in the triumph. The team went to the semi-finals of the Metropolitan Tourney where they lost to a strong Springfield team.

April 14, 1952—We witnessed a performance of the operetta, Marianne, in which one of our juniors, Carol Trenouth, had a leading part. She certainly helped make the first operetta attempted by Mr. Willey and his Glee Club a tremendous success.

May 16, 1952—For weeks prior to tonight, Shirley Carlson and her decoration committee had slaved endlessly in secret to create a beautiful motif for our Junior Prom. The couples, upon arriving tonight at the gym, found the theme to be Snow White and the Seven Dwarfs. Our parents, also, had been busy weeks ahead, planning to make the "after the Prom" party at the King Phillip the big success that it was. Everyone enjoyed the turkey dinner—and especially appreciated the favors and the orchestra provided by the parents. During the conversations of the wee hours of the morning, everyone agreed that our Prom was the best ever.

September 3, 1952—Today was the beginning of the end, our first day as seniors. From now until



graduation, we could look down on everyone else, with the exception of the teachers, of course. What a wonderful and strange feeling it gave us to have those timid freshmen look up to us with admiration shining in their childish little eyes. Such is the life of a senior!

October 3, 1952—We had our class elections today, one of the many events that would constitute our senior year, and the leaders of our final school year were: President, Ned Holt; Vice President, Joe Moylan; Secretary, Shirley Kapcheck; and Treasurer, Carol Lamore. Immediately following the elections, a class representative meeting was called and it was decided that class dues would be raised to 15c a week, so we would be able to meet the big expenses of the senior year.

October 24, 1952—Mr. Riley's senior history classes today put on a mock Presidential election and made up ballots similar to those that would appear before the American voters on November 4th. Yesterday, in an assembly, both parties, the Republicans and Democrats, led by Ned Holt and Joe Moylan respectively, presented to the student body the reasons why his party should be elected. The Republicans took the "We want a change" slogan, and the Democrats the "You never had it better" attitude. When the votes were tabulated, the Republicans won, 291-226, in the Presidential race as well as in the governorship and local representative offices, but the Democrats won the senatorship with Mr. John Kennedy. All agreed, both the teachers and students, that it was one of the best assembly programs they had ever witnessed.

November 4, 1952—Well, the saying "As Walpole High goes, so goes the nation" prevailed today as the Republicans won in a landslide victory. The defeated Democrats took it in stride and wished President Eisenhower all the success in the world in ironing out the problems the Democrats had left him.

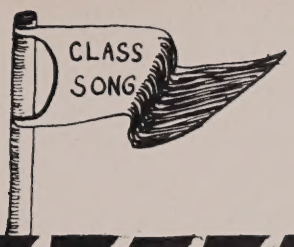
December 22, 1952—On November 10, we had decided to adopt a school newspaper. Staffs were chosen and editors of various departments selected, with George Dawson as Editor-in-chief. Today, the first edition of the paper appeared, and sold successfully. This showing of sales raised our hopes and we began to prepare another edition for the presses.

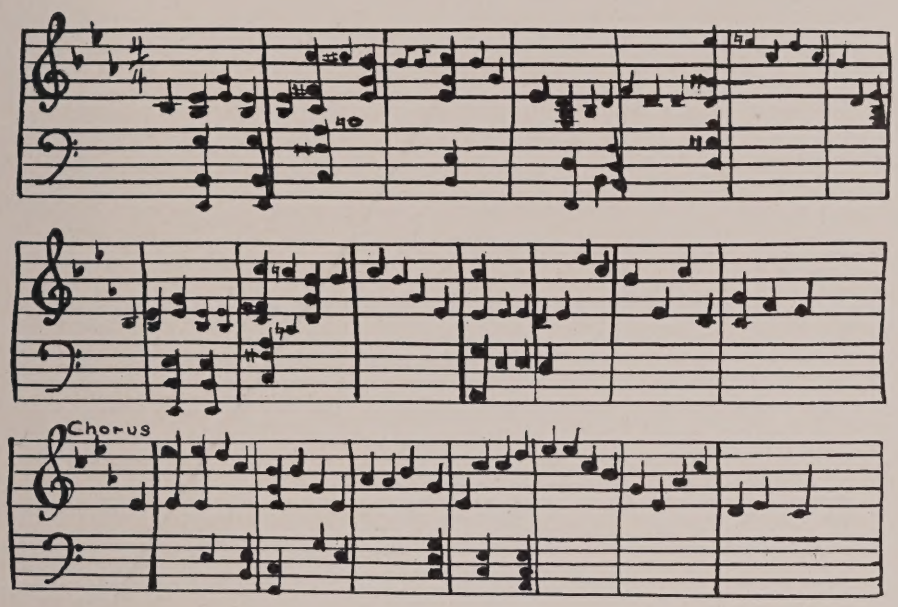
January 16, 1953—The senior homerooms of 107 and the library today presented their benefit show, hoping to aid the "Kitty" for the Yearbook. The variety show they presented netted the senior class 109 dollars, a record for Benefits Shows. All who attended agreed that the homerooms of 112 and 205 would have to work hard to equal this record.

After carefully scrutinizing our treasury, we announced proudly that, with the cooperation of the class, we would be able to provide the capital for the "Topper's Voyage". The Yearbook staff has been working very diligently to make our book a tribute to us. We, the seniors, wish to extend our special thanks to Miss Bonica and Miss Flynn who bore the burden of assisting us in its publication.

February 20, 1953—The boys have certainly done well in sports this year. First they had a 4 wins, 4 losses record in football, which was the best in years. Now, tonight, the ice hockey team has brought us into the limelight, and another trophy into the library, namely, the Bay State League Championship Cup. Good luck in the games (all sports) yet to come, boys!

June 18, 1953—Time has certainly flown by. We have attended our last Prom and participated in our last Grand March. The ship's whistle signals us that we are approaching our first port, the port of Graduation, but that this is only one of the many ports in life that we will enter. Although Class Night is filled with joking and fun-making, we realize, with a feeling of sadness, that tomorrow we will have docked at the port. The dignity and seriousness tomorrow will remind us to be ever grateful for the learning, the guidance, and the friendships we have procured on ship during our four year voyage on the good ship "Walpole High School".





Dear Walpole High, we sing our song to the halls we know so well;
To us what futures will belong no one yet can tell;
But whether we are far or near as into life we stride
The school with memories so dear we will recall with pride.

Chorus:
Dear Walpole High, our Walpole High, our alma mater true,
'Tis now we sing our last good-by with thoughts of praise to you.

With faithful friends our joys we've shared, our hopes and sorrows, too,
And for our lives we've been prepared with grateful thanks to you,
Knowledge was offered for us to reap just within our reach
We've done our best to learn and keep the lessons which you teach.

Yearbook Staff

One day last fall students began to trickle into room 205 after school. They were the yearbook staff of 1953. Mr. Strout introduced them to their faculty advisor, Miss Bonica, and the group elected its editors and officers.

Credit for the contents of Topper's Voyage are spread liberally. The fast-moving hockey story and chuckle - provoking class history flowed from the pen of Joe Moylan, who writes as well as he skates. Eddie Paquette fathered the baseball story; Bill Hall dashed off the football and basketball articles; Ann Howard wrote up field hockey; and Joby Delaney ironed out the golf prediction.

The fat advertising section is there thanks to business manager Gary Cann. Without the unceasing effort of Ned Holt, the photography editor, our book would be dull. Additional color is added through the efforts of the art staff of Bob Ali-oglu, Ellie McKenna, and Carol Trenouth. Our gratitude also goes to the "tireless typists" who translated garbled notations into coherent writings. Of course, our thanks would be incomplete until we expressed our gratitude to Miss Flynn, who took over as faculty advisor when Miss Bonica left, and who tied all the loose ends together.

The newspaper editorial staff consists of: *front row,* Valerie Phillips, George Dawson (*Editor*), Gail Sumner, Phyllis Bowden, and (*back row*), Richard Orlando, Joe Moylan, Gardner Brown, Calvin Towle, and Robert Alioglu.

The Traffic Officers were: *front row,* Barbara Humble, Joan Camelio, Leslie Barrows, Nancy Coulter, Ann Howard, Frances Cisternelli, and (*back row*), Carol Trenouth, Ruth Smith, Marilyn Morse, Nancy Gilmore, Doris Brule, Mary Lee Hirst, and Helen Bickford.

Members are: Joan White, Peter Chick, Lois Lestan, Mr. Innes, William Hall, Edward Wait, Charles Holt, Calvin Towle, James MacLennan, Ann Holst, Charlotte Samsel, George Cook and Janice Bowden.

Science Club

The Science Club is a new organization at Walpole High, and was begun under the direction of Mr. Keyack, the science teacher. When Mr. Keyack left, Mr. Innes, his successor, resumed the program.

The club, which contains eighteen members, held its first meeting in September and elected as officers Calvin Towle, President; Gardner Brown, Vice President; Ann Holst, Secretary; and Ned Holt, Treasurer. Its purpose, as stated in its constitution, is to help students to enjoy science and at the same time to learn from experience. Its members have made one trip to Kendall Mills and plan two more, in addition to an all-day trip to M.I.T. Weekly meetings are used to show movies, give demonstrations, and discuss business.

The big feature of each year for the club will be the annual Science Fair, which will be held each spring. Winners in this fair will be eligible to enter the Massachusetts Science Fair. We hope that the club will continue to grow and that the active interest of the student body will make it a permanent institution.

Front row (left to right): Eleanor Jennings, Nancy De Giacomo, Mary Durning, and Charlotte Samsel. *Second row* (left to right): Betty Kramer, Mary Rios, Danny Barrett, George Dawson, Joe DeRoma, Nancy Coulter, and Mary Ellen Regan. *Third row* (left to right): Pat Hill, Ann Howard, Eddie Hawksley, Bill Swanson, Miss Dahl, George Conaty, Patty Gould, and Valerie Ellis.

Dramatics Club

The Dramatics Club, like the Science Club, is a new organization. Under the direction of Miss Dahl, the members read plays and perform skits. At the left several "characters" are reading a play. The officers are Danny Barrett, President; Joe DeRoma, Vice President; and George Dawson, Treasurer.

FOOTBALL

In 1952 Walpole High School produced one of its best football teams of the past half-decade. The boys went out and played all the way, never giving up. They had a fairly tough schedule and turned in a very creditable four won and four lost record. They showed they were an excellent team, not only by winning games, but also by fighting hard even when behind.
the best team around.

On the first day of school a very large squad came out, much to the joy of Coach Jurgelevich and Assistant Coach Hazlett. As the practices continued the team became fit through calisthenics, windsprints, and "Killer Hill". Only a few boys dropped out. As time for the first games came around only those who were really interested and who wanted to work were left. Scrimmages were held with the neighboring towns of Franklin, Mansfield, Westwood, Medfield, and Norwood, and the team looked very good. And now for a brief résumé of the games:

North Attleboro

North Attleboro 13, Walpole O. For their first game of the season a fresh and eager Walpole squad travelled to North Attleboro. It was a very exciting game and it looked closer than the score showed. Walpole played hard but fumbles, bad kicking, and other mistakes were too much for them. A big and rugged North Attleboro squad scored in the second and fourth periods on an intercepted pass and a 50 yard sustained drive.

Northbridge

Walpole 12, Northbridge 0. After a one-week layoff Walpole opened its home season against Northbridge. Walpole showed a much improved team and never gave Northbridge a chance. The boys recovered a kickoff fumble and immediately marched to a touchdown, capped by a short Lamperti drive. Lamperti also passed to Guisti for the second touchdown in the second period.

Canton

Walpole 21, Canton 12. Walpole continued its winning streak as it played host to Canton. Canton opened the game strong but a Morgan-to-Cinto pass went 51 yards all the way to put Walpole ahead. Then Canton came back strongly on the ground with two straight touchdowns. Walpole got into the act again with a Lamperti-to-Cinto paydirt pass and a Bonardi rush. The whole team played well with Morgan, Cinto, Bonardi, Lamperti, and Paquette hitting the highlights.

Needham

Needham 31, Walpole 12. On the next Saturday Walpole played host to a big and powerful Needham team. Although the boys played their hearts out, the Needham line, with Cardinalli, Anderson, and Nickerson doing the scoring, was too much for them. In the last quarter Walpole came back with two nice touchdowns, Lamperti and Dutczak carrying for 2 and 75 yards respectively. No individual standouts could be picked as the whole team played well.

Stoughton

Walpole 7, Stoughton 0. The following week Walpole travelled to Stoughton and, recovered from the Needham loss, racked up their third win. It was a very even game all the way with first Walpole and then Stoughton having good marches cut short. Walpole finally crossed the line with a 24 yard Lamperti-to-Cinto pass late in the last quarter. The boys gave the crowd a great thrill by holding Stoughton with first down and 1 foot to go.

Foxboro

Walpole 13, Foxboro 6. In a game played in bitter cold and partly in a snowstorm, Walpole brought home their fourth victory. Foxboro gave the boys trouble with a few marches, one culminating in a touchdown. Walpole surpassed it with a Lamperti-to-Cinto touchdown pass and Jet Joe DeRoma's first touchdown run of the year. It was in this game that Walpole's passing fullback, Lamperti, was lost for the season because of a twisted knee.

Wellesley

Wellesley 12, Walpole 0. Walpole returned home to play host to Wellesley for an Armistice Day game. Walpole was outscored but not outplayed by Wellesley's championship team. They tried and tried again but could not get any breaks. In turn the breaks came to Wellesley, who scored on an intercepted pass and a long march. The passing attack of Walpole, which had scored many of their previous touchdowns, was sorely handicapped by the absence of Lamperti after his injury. If he had been in there pitching, the game might have had a different outcome.

Coyle

Coyle 39, Walpole 26. For this Turkey-day thriller Walpole travelled to Taunton to play Coyle. Even after a 16-day layoff the boys looked exceptional. They played perhaps their best game of the year only to be beaten single-handedly by Mclean and Reagan, who accounted for the six Coyle touchdowns between them. Cinto scored twice on passes, once from Morgan and once from Quinn. Also both halves of the midget halfback pair, DeRoma and Bonardi, scored.

The regular backfield consisted of Morgan at quarterback, DeRoma at left halfback, Bonardi at right halfback and Lamperti at fullback. The backfield substitutes were Murray, Eppich, Dutzak, Ecklund, Buckley, and Quinn, the latter moving from the line to take over fullback duties after Lamperti's injury. The regular linemen were: ends—Cinto, Vickory, Brown, Guisti, and Hall; tackles—Paquette, Curran, Piasecki, Downey, and Austin; guards—Connolly, Simeone, and Betro; and centers—Michienzi, Merritt, and Penza.

The co-captains were Cinto and Morgan. Cinto did most of the kicking off while the punts were handled by Quinn, Paquette, and DeRoma. Morgan kicked the extra points and Walpole had a trick extra point pass play to Guisti, thrown by Morgan or Lamperti. The best scoring threats were passes to Cinto by either Morgan or Lamperti; DeRoma, Bonardi, and Lamperti did the scoring on the ground.

These are the boys who made up Walpole High School's 1952 football team. They have been true representatives of the fine school they have attended and have worn the blue and white with honor. Although they might have been outscored they never stopped playing until the final whistle had blown. Our hats are off to the boys and we congratulate them on a fine season.

FIELD HOCKEY

At the end of the '52 season of Walpole High School field hockey, the team left the field with a record of five wins, three losses, and one tie.

The seniors who, by their determined effort, helped to make possible a record of which the team could be proud were led by Aila Salomaa, the captain, who displayed skillful stick work in her job as center forward. In recognition of her excellent playing, she received the Most Valuable Player Award. Mary Ellen Regan and Beverly Smith as right and left half backs provided the necessary accurate passing. Shirley Kapcheck and Betty DiFilippo helped to make the forward line formidable. Carol Lamore and Barbara Humble as right and left fullbacks kept the forward line busy receiving their on-the-spot passes. Goalie Shirley Betro was another standout player. Other seniors who helped to form the backbone of the team were Rachel DuBois, Edith Sprague, Janet Tychino, Shirley Carlson, and Ellie McKenna.

Special mention goes to Miss Wallace for her excellent coaching without which the successful season of '52 would never have been possible. Ann Howard, as manager, ably assisted by co-managers Pat Hill and Joan White, performed "the person behind the scenes" work and was the team's shadow.

We closed the season with the annual field hockey banquet at which the squad presented Miss Wallace with a gift in appreciation of her untiring efforts to make the Walpole High School field hockey team one of the best.

Hockey

In the regular season play in the Bay State League, Walpole won the League Championship with a record of nine wins and one loss. In the first game they walloped Framingham 9-0. Then they hung on to beat Norwood 5-4, and fought off their strongest rivals, B.C. High, 4-3. Their only loss came when a scrappy Needham team scored on a screened shot with only twenty-three seconds to go in the third period to win 4-3. Walpole bounced back to beat Waltham 2-0 in a game which saw Jimmy Morgan, our star defenseman, shooting into an open net as the Watch City boys removed their goalie. Additional victories were 3-0 over Wellesley, 4-1 over Watertown, 6-0 over Waltham, a sweet revenge of 4-0 over Needham, and a 3-0 beating of B.C. High as a finale. Bill Delaney led the league in scoring and Tony Bonardi was tied with Bill Donlan of B.C. High as Most Valuable Player.

On February 26, the Bay State All-Star team, led by Walpole's Don Cooper, Jim Morgan, Tony Bonardi, Bill Delaney, Charlie Cinto, and Joe Moylan, defeated the Eastern Mass. All-Star team by a score of 4-3. Three of the four goals were scored by Cinto, Moylan, and Bonardi.

The following Saturday, the Walpole boys contributed to the stunning defeat of the favored G.B.I. All-Star team by doing all the scoring. Joe Moylan gave a tremendous performance, notching all three goals against the highly-touted G.B.I. stars.

Walpole's first opponent in the State Tourney was highly rated Lynn Classical from the North Shore League. The game itself was exciting only to the extent that Walpole emerged victoriously, 2-0, adding another shutout to Don Cooper's collection. A first period goal by Louie Meomartino and a third period tally by Joe Moylan gave Walpole the right to meet Natick in the quarter-finals.

Goalie Don Cooper

Defense: Jim Morgan, Wally Duncan

First Line: Bill Delaney, Joe Moylan, Charlie Cinto

At the Boston Garden in the second round of the State Tourney, Walpole defeated Natick by the score of 4-2. Louis Meomartino had two goals while Bill Delaney and Joe Moylan added the other two tallies. It was a fast game and Natick had Walpole in trouble when, midway through the second period, the score read 2-1. But Walpole pulled away and held a 2 goal lead when the final buzzer rang. In another game, Arlington upset the tournament favorite, West Springfield, 3-2, so Walpole was to meet Arlington in the semifinal round the next evening.

In one of the best games of the year, Walpole High defeated the Arlington team 7-0 at the Boston Arena to gain both a berth in the New England Tourney and a finalist spot in the State Tourney. Bill Delaney scored 3 goals; Charlie Cinto, 2; Tony Bonardi, 1; and Jim Morgan, 1 in this lopsided victory. Don Cooper added still another shutout to his record by his brilliant goal-tending. At the end of a hard-fought first period, Walpole had a 1-0 lead. Then it exploded for 3 goals in the second period and added three more in the third. This was by far Walpole's best game of the year, and enabled them to play Malden Catholic in the final to determine the State Championship of Massachusetts.

In what was described as one of the best schoolboy hockey games in a decade, Walpole High won a 1-0 victory over a favored Malden Catholic team to gain the State Championship of Massachusetts. It was the first time since 1945 that Walpole has won such a distinction and the whole town went berserk when the game was over. The big hero of the game was Louie Meomartino, who scored the deciding and only goal of the game. But the biggest hero of all was the team itself and it will go down in history as one of the school's greatest. Coach Bill Jurgelevich is to be congratulated on his fine coaching job, for he had the boys on their toes the whole season.

Second Line: Bob DeMichele, Joby Delaney, Tony Bonardi, Louie Meomartino

The first period ended scorelessly with both teams having missed good scoring chances. Walpole dominated the play during the second period and continually fired shots at the Malden goalie, but he turned them aside until Louie Meomartino rammed a Tony Bonardi rebound into the net for what was to be the deciding goal of the game. The Arena went wild!

The third period began and what a period it was! Don Cooper made some spectacular saves on Malden Catholic shots and showed his great goal-tending ability constantly. The play was even, neither team dominating. The clock seemed to take an eternity to go around and with about 15 seconds left, one could feel the crowd ready to unleash a tremendous cheer. The puck was in Malden Catholic territory as the buzzer rang ending the game. Fans streamed onto the ice to congratulate their heroes and there was great joy in Walpole, for their mighty team had just become the State Champs.

Although the boys were beaten in the New England Tourney, they lost no greatness in the eyes of their followers. They accepted defeat calmly and graciously, and their incredible record of fourteen wins as against two losses will be long remembered in Walpole and in the whole state.

Front row — Walter Hand, Jim Connolly, Joe Simeone, C harlie Cinto, Ed Paquette, Karl Quinn. *Rear row* — Coach Goodrich, Charlie Werning, Robert Potter, George Murray, Fred Rockwood, Manager Ned Holt.

Baseball

With spring creeping up on the hilltop, the spotlight shifts abruptly to baseball. As usual, many of the stars have vanished from last year's club, and Coach Goodrich has the difficult task of ripening a squad from the seeds of but a few veterans of previous campaigns. However, the outlook is somewhat bright, since almost all of the prospects played as a successful unit on the Junior Legion team which finished second only to Brookline.

Sparked by three senior lettermen — Charlie Cinto, Ed Paquette, and Dick Hand — in addition to junior Karl Quinn, the infield appears strong. If everything goes well, the pitching staff of "Workhorse" Jim Connolly, Pete Murray, and Charlie Werning should shape up as tops in any league. Adding to the power of the club are Dan Barrett, Wally Hand, Joe Simeone, and Jim Morgan.

Possessing balance, poise, and spirit, this year's team is expected to live up to the standards of Walpole, and fight its way out of the dismal shadow of last year's defeats to wind up the campaign second to none.

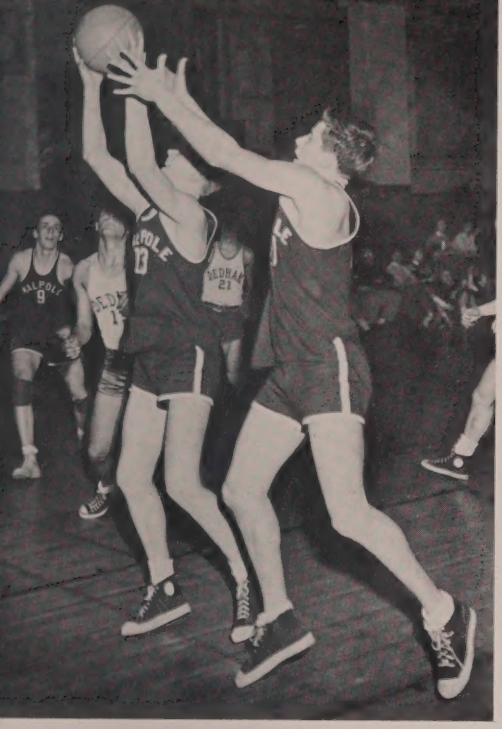
Basketball



The Walpole High School basketball team did not have a very good season in 1952-53, as the record books would show. Their record was one win and thirteen losses. But the totals do not show how many games were lost by very close scores and which might easily have been won by Walpole. Although the other teams were victorious, the Walpole players stayed with them right up to the end and never gave up fighting. A very important factor was our lack of depth on the bench. The entire team played well, though, and proved themselves true representatives of Walpole High School.

The first team lineup was as follows: Wally Hand, center; David Chambers and Glenn Light, forwards; and captain Ed Paquette and Ralph Guisti, guards. Eddy Paquette, the only starting senior, was our backcourt man and playmaker. His set shot was very effective and he ended the season with a ten points per game average. Wally Hand, our 6'3" center, did the majority of our scoring and also was very helpful in taking rebounds off both backboards. Glenn Light was our defensive star and usually was assigned to cover the tallest man on the opposing team. Standing 6'4" tall, he, being placed under the backboards on both ends of the court, recovered many rebounds. Ralph Guisti was our fast forward and frequently scored on a quick break.

David Chambers, playing part of the season at forward and part at guard, was an invaluable asset to the team with his quick reflexes and cool headwork. The first team substitutes were Ronald Dix and Bob Curran. Dix was our utility player and often played all the positions during a game. Curran, 6'2" tall, was very valuable at taking rebounds and often substituted.

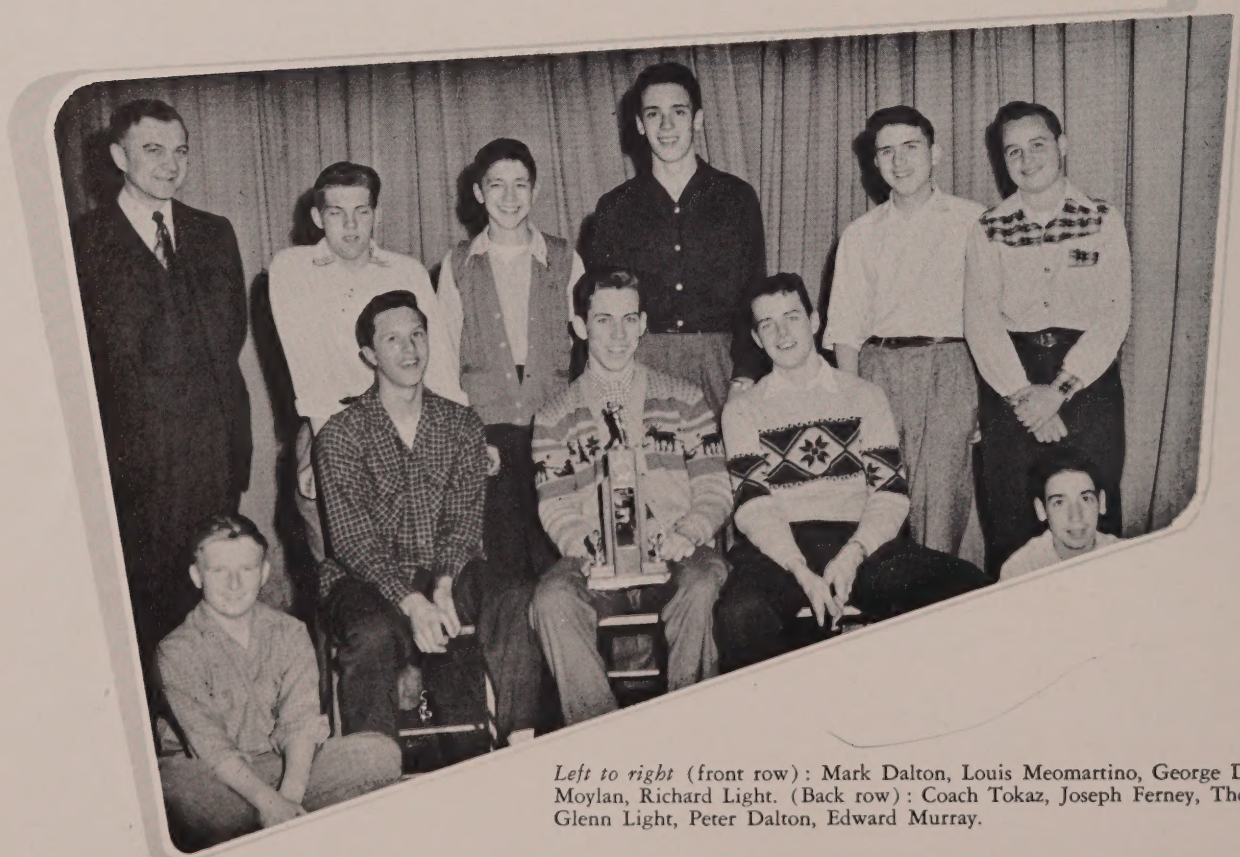
The second team won four games out of their schedule of fourteen. The players were Bill Swanson, Bill Hall, Warren Giampetro, Pete Hall, Joe Betro, Danny Iagatta, and John Fairbanks. The victories were over Framingham, Needham, Natick, and Norwood.

Golf

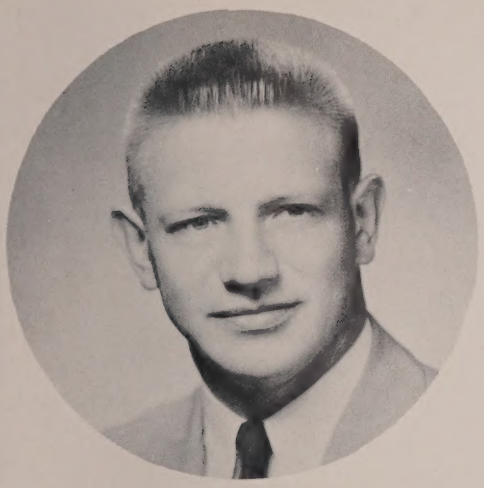
Although golf is not a major sport, the record established by the linksmen over the past three years easily parallels that of the great ice hockey teams. Walpole's golf teams had never aroused any interest out of the ordinary until the arrival of Mr. Tokaz and his building system. In 1950, the freshman year of the Class of '53, the golf team first rose to success, winning the Norfolk County League Championship and then going on to the State Tournament where it lost in sudden death in the first round. In 1951, our sophomore year, the golf team completed its rapid climb to glory by going undefeated and climaxing the winning of the league title by becoming State Champions. Last year, the golfers defended their league title with another undefeated season and then lost a very close match in the finals of the state playoffs. Mr. Tokaz is now looking forward to his fourth straight year of well-deserved success and the last with the members of the Class of '53.

This spring, the team has a strong nucleus of four lettermen, three of whom are seniors. "Joby" Delaney and Jack Kannally, two three-year veterans who, as sophomores, were highly instrumental in the success of 1951's team, will lead the club, along with Joe Moylan, the third senior, who first played on the team last year and turned out to be the steadiest performer of all. The fourth letterman is junior Louie Meomartino, another steady pressure man, who will also be a big factor in the team's record. There will be a wide-open scramble for the last two places on the club, although juniors Joe Ferney and Glenn Light are the most probable choices for the positions.

The golfers hope that another successful season is in store and that the student body will support them.



Left to right (front row): Mark Dalton, Louis Meomartino, George Delaney, Joseph Moylan, Richard Light. (Back row): Coach Tokaz, Joseph Ferney, Thomas Kannally, Glenn Light, Peter Dalton, Edward Murray.



Track

This year Walpole can put into the field one of the best track teams of recent years. Above lower left is Pete Readel, whose long legs have earned him a good high jumping record. Pete can also run a 24-second 220. On his left is Charlie Cinto, king of the dash men and an excellent all-around athlete. Next to him is Felix Berzins, a junior, who will take Charlie's place in the dash next year. Behind Felix is John Dowdie and on his right is Robert Ellis. These boys are our sophomore milers. In the flashy shirt is Leo Downey, who uses that muscle to do the shot put. Not in the picture are Ralph Shaw, a freshman who can do the mile in 5:25 on the road; Gardner Brown, middle distance man, and Calvin Towle, who does the 440 and broad jump. At the left is Mr. William Jurgelevich, the coach.

Front row (left to right): Janice Bowden, Ann Holst, Eleanor McKenna, Doris Brule, Lois Hallet, Charlotte Samsel, Nancy Verrochi. *Back row*: Manager Joan White, Ann DeRoma, Eleanor Bray and Beverly Evans.

QUALITY COUNTS!

For each member of the Class of 1953, we wish a full and satisfying life.

The founder of our Company once said, ". . . *giving service* is a higher ideal and a more difficult job than *making* and *selling* goods."

On this belief a successful life as well as a successful business can be built.
